About the Program

The 2015 Urgent Repair Program provides funds to assist very-low and low-income households with special needs in addressing housing conditions that pose imminent threats to life or safety. Funds also can cover accessibility modifications and other repairs necessary to prevent displacement of very-low and low-income homeowners with special needs such as the elderly and persons with disabilities. Program funding totals \$55,000 with the majority provided by the North Carolina Housing Finance Agency.

Eligibility

Residents must:

- 1) Reside within the Asheboro corporate limits and own and occupy the home in need of repair.
- 2) Have a household income which does not exceed 50% of Randolph County's median income for the household size.
- 3) Have a special need (i.e. be elderly, ≥ 62 years old, handicapped or disabled, a single parent with a dependent living at home, a large family with ≥ 5 household members or a household with a child below the age of six with an elevated blood lead level (between $10\mu\text{g}/\text{dl}$ and $20\mu\text{g}/\text{dl}$)).
- 4) Have urgent repair needs, which cannot be met through other state or federally-funded housing assistance programs.

The amount of the loan will depend on the scope of work necessary to address the identified imminent threats to life and/or safety. There is no minimum to the amount of the loan; however, the maximum life-time limit is \$8,000.

2015 Urgent Repair Program | Assistance Policy

What is the Urgent Repair Program?

The City of Asheboro (city) has been awarded \$50,000 by the North Carolina Housing Finance Agency (NCHFA) under the 2015 cycle of the Urgent Repair Program (URP15). This program provides funds to assist very-low and low-income households with special needs in addressing housing conditions that pose imminent threats to life or safety and also funds accessibility modifications and other repairs necessary to prevent displacement of very-low and low-income homeowners with special needs such as the elderly and persons with disabilities. A minimum of 7 households will be assisted under URP15.

This Assistance Policy describes who is eligible to apply for assistance under URP15, how applications for assistance will be rated and ranked, what the form of assistance is and how the repair/modification process will be managed. The city has tried to design this process to be fair, open, and consistent with the city's accepted application for funding and with NCHFA's URP Program Guidelines.

The funds provided by NCHFA come from the North Carolina Housing Trust Fund.

Eligibility:

To be eligible for assistance under URP15 applicants

- 1) must reside within the Asheboro corporate limits and own and occupy the home in need of repair
- 2) must have a household income which does not exceed 50% of Randolph County's median income for the household size (see income limits below)
- 3) must have a special need (i.e. be elderly, ≥ 62 years old, handicapped or disabled, a single parent with a dependent living at home, a large family with ≥ 5 household members or a household with a child below the age of six with an elevated blood lead level (between $10\mu\text{g}/\text{dl}$ and $20\mu\text{g}/\text{dl}$)).
- 4) must have urgent repair needs, which cannot be met through other state or federally-funded housing assistance programs.

3	\$15,650	\$26,050
4	\$17,350	\$28,950

8	\$22,950	\$38,200

***Income limits are subject to change based on annually published HUD HOME Limits.**

Advertisement of the Urgent Repair Program:

The city will either advertise or ensure an article about the Urgent Repair Program is published in the local newspaper serving the city (The Courier-Tribune) and will publicize the program at the Harry and Jeanette Weinberg Resource & Education Center, on the local government information channel, on the city's website, and through the city's official social media platforms.

Selection of applicants:

The city has devised the following priority system to rank eligible applicants, determine which of them will be selected for assistance and in what order. Under this system applicants will receive points for falling into certain categories of special need and income. The applications will be reviewed by the city's Redevelopment Commission and ranked according to which receive the most points.

Under NCHFA Program Guidelines, a minimum of 50% of households assisted must have incomes which are less than 30% of the area median income for the household size, and no household with an income exceeding 50% of the area median income will be eligible. This guideline will be adhered to strictly and will be the primary factor in the selection of those households to be assisted under URP15. Recipients of assistance under the URP15 will be chosen by the above criteria without regard to race, creed, sex, color or national origin.

Priority Ranking System for City of Asheboro URP15:

<i>Special Needs (for definitions, see below)</i>	<i>Points</i>
Elderly Head of Household (62 or older)	4
Disabled Head of Household	4
Disabled or Elderly Household Member (not Head of Household)	3
Single-Parent Household (with one or more children in the home)	3
Emergency (as determined by Redevelopment Commission)	3
Large Family (5 or more permanent residents)	2
Elevated Blood Lead Level Child	2
<i>Income (See Income Table above)</i>	
Less than 30% of County Median Income	10
30% to 50% of County Median Income	5
<i>Code Compliance</i>	
Property Under Notice of Violation for Non-Compliance - No Abatement	-4
Property Under Notice of Violation for Non-Compliance - Abatement Underway	-2

NOTE: In the event of a tie score, preference will be given to the applicant with the lower income.

The definitions of *special needs* populations under URP15 are:

- *Elderly:* An individual aged 62 or older.
- *Disabled:* A person who has a physical, mental or developmental disability that greatly limits one or more major life activities, has a record of such impairment, or is regarded as having such impairment.
- *Large Family:* A large family household is composed of five or more individuals; at least four are immediate family members.
- *Head of Household:* The person or persons who own(s) the house.
- *Household Member:* Any individual who is an occupant (defined below) of the unit to be rehabilitated shall be considered a "household member" (the number of household members will be used to determine household size and all household members are subject to income verification).
- *Occupant:* An occupant is defined as any immediate family member (mother, father, spouse, son/daughter of the head of the household, regardless of the time of occupancy); or non- immediate family member who has resided in the dwelling at least 3 months prior to the submission of the family's application.
- *Single-Parent Household:* A household in which one and only one adult resides with one or more dependent children.
- *Child with elevated blood lead level:* a child below the age of six with an elevated blood lead level between 10µg/dl and 20µg/dl.

What is the form of assistance under URP15?

The city will provide assistance to homeowners, whose homes are selected for repair/modification in the form of a loan. Homeowners will receive an unsecured deferred, interest-free loan, forgiven at a rate of \$1,000 per year, until the principal balance is reduced to zero.

Client Referral and Support Services:

Many homeowners assisted through the Urgent Repair Program may also need other services. When the Urgent Repair Program staff meet the homeowner during the work write-up process, they will discuss the resources and programs available in the city and provide a list of the agencies with contact information. With the homeowner's permission, a case file will be created and a staff person will follow up with the homeowner concerning the available services in the referral network.

What is the amount of the loan?

The amount of the loan will depend on the scope of work necessary to address the identified imminent threats to life and/or safety, and that will be determined by the program's rehabilitation specialist. There is no minimum to the amount of the loan; however the maximum life-time limit from NCHFA funds according to the guidelines of URP15 is \$8,000. Additionally, the city has allocated matching funds in the amount of \$5,000 and will use the funds to pay, in the form of a separate loan from the city, for necessary and eligible repair costs that exceed the maximum amount of URP15 funds that can be provided to a household or to augment program funds in order to repair additional home(s) .

What kinds of work will be done?

Only repairs that address imminent threats to the life and/or safety of occupants of the dwelling unit or accessibility modifications will be performed under the city's URP. It should be noted that all deficiencies in a home may not be rectified with the available funds. All work that is completed under URP15 must meet or exceed the NC Residential Building Code.

Who will do the work on the homes?

The city is interested in maximizing program benefits and hopes to partner with community organizations, as appropriate, to have quality work completed with skilled volunteer labor when possible. Such work will meet or exceed the NC Residential Building Code.

When work must be bid due the complexity of the job or because skilled volunteer labor cannot be secured, the city is obligated under URP15 to ensure that quality work is done at reasonable prices and that all work is contracted through a fair, open and competitive process. A minimum of three contractors will be invited to bid on each job, and the lowest responsive and responsible bidder will be selected for the contract. "Responsive and responsible" means the contractor (1) is deemed able to complete the work in a timely fashion, (2) that the bid is within 15% (in either direction) of the city's cost estimate, and (3) that they returned an eligible bid by the pre-designated bid due date.

What are the steps in the process, from application to completion?

1. Complete an Application form: Homeowners who wish to apply for assistance must do so by October 30, 2015. Apply by contacting the City of Asheboro Planning and Zoning Department at (336) 626-1201 ext. 212. Proof of ownership and income will be required. Those who have applied for housing assistance from the city or Randolph County in the past will not automatically be reconsidered.

2. Preliminary inspection: The program's Rehabilitation Specialist/Housing Assistant will visit the homes of potential loan recipients to determine the need and feasibility of repairs and/or modifications.

3. Screening of applicants: Applications will be rated and ranked by the city's Redevelopment Commission based on the priority system outlined on page 2. Household income will be verified for program purposes only (information will be kept confidential). Ownership of property will be verified along with other rating factors. From this review, the seven (7) most qualified applicants will be chosen according to the priority system described above ; there also will be three (3) alternates selected. The households to be assisted as well as the alternates will be selected by January 15, 2016.

4. Applicant interviews: Approved applicants will be provided detailed information on assistance, program repair/modification standards and the contracting procedures associated with their project at this informational interview.

5. Work write-up: The program's Rehabilitation Specialist will visit the home again for a more thorough inspection. All parts of the home must be made accessible for inspection, including the attic and crawlspace, if any. The owner should report any known problems such as electrical short circuits, blinking lights, roof leaks and the like. The Rehabilitation

Specialist will prepare complete and detailed work specifications (known as the "work write-up"). A final cost estimate will also be prepared by the Rehabilitation Specialist and held in confidence until bidding is completed.

6. Formal agreement: After approval of the work write-up, the homeowner will sign a formal agreement that will explain and govern the repair/modification process. This agreement will define the roles of the parties involved throughout the process.

7. Procurement of Services: If it is appropriate to seek skilled volunteer labor from a qualified community organization, the name of such organization will be supplied to the homeowner; a representative of the organization will need access to those areas of the house, in which work is to be performed, in order to verify that the organization can successfully complete the work described in the work write-up. If skilled volunteer labor cannot be secured, the work write-up and bid documents will be mailed to a minimum of three contractors who will be given ten (10) days in which to inspect the property and prepare bid proposals. The names of the invited contractors will be supplied to the homeowner. Each will need access to those areas of the house, in which work is to be performed, in order to prepare a bid. A bid opening will be conducted at Asheboro City Hall at a specified date and time, with all bidders and the homeowner invited to attend.

8. Contractor selection: If bids are sought, within 72 hours of the bid opening and after review of bid breakdowns and timing factors, the winning bidder will be selected. All bidders and the homeowner will be notified of (1) the selection, (2) the amount, (3) the amount of the city's cost estimate, and (4) if other than the lowest bidder is selected, of the specific reasons for the selection.

9. Execution of loan and contract: The loan will be executed as well as the repair/modification contract. This contract will be between the contractor or community organization providing the skilled volunteer labor and the homeowner, with the city signing as an interested third party.

10. Pre-construction conference: A pre-construction conference will be held at the home. At this time, the homeowner, contractor or community organization providing the skilled volunteer labor and program representatives will discuss the details of the work to be done. Starting and ending dates will be agreed upon, along with any special arrangements such as weekend or evening work hours and disposition of items to be removed from the home (such as old plumbing, etc.). Within 24 hours of the pre-construction conference, the city will issue a "proceed order" formally instructing the contractor or community organization providing the skilled volunteer labor to commence by the agreed-upon date.

11. Construction: The contractor or community organization providing the skilled volunteer labor will be responsible for obtaining any required building permits for the project before beginning work. The permit must be posted at the house during the entire period of construction. Program staff will closely monitor the work during the construction period to make sure that it is being done according to the work write-up (which is made a part of the rehabilitation contract by reference) and in a timely fashion. Code Enforcement Officers will inspect new work for compliance with the State Building Code as required by the guidelines of URP15. The homeowner will be responsible for protecting personal property by clearing work areas as much as practicable.

12. Change Orders: All changes to the scope of work must be reduced to writing as a contract amendment ("change order") and approved by all parties to the contract: the owner, the contractor or community organization providing the skilled volunteer labor and two representatives of the city. If the changes require an adjustment in the loan amount, a loan modification stating these changes in the contract amount must be completed by the city, and executed by the owner.

13. Payments to contractor: When used, the contractor will be paid following inspection of and satisfactory completion of all items on the work write-up, as well as, the receipt, by the city, of the contractor's invoice and a release of liens, signed by all any sub-contractors employed on the job and by all material suppliers from whom materials for the job were purchased.

14. Post-construction conference: Following construction the contractor or community organization providing the skilled volunteer labor and the Rehabilitation Specialist will sit down with the homeowner one final time. At this conference the contractor will hand over all owner's manuals and warranties on equipment. Operating and maintenance requirements for any new equipment installed and discuss general maintenance of the home with the homeowner. The homeowner will have the opportunity to ask any final questions about the work.

15. Closeout: Once each item outlined in section 13 & 14 have been satisfied and the homeowner has signed a Certificate of Satisfaction, the job will be closed out.

2015 Urgent Repair Program

Procurement Policy and Disbursement Policy

PROCUREMENT POLICY

1. To the maximum extent practical, the City of Asheboro (the City) promotes a fair, open and competitive procurement process as required under the North Carolina Housing Finance Agency's Urgent Repair Program (URP). A minimum of three contractors will be invited to bid on each job, and the lowest responsive and responsible bidder will be selected for the contract. "Responsive and responsible" means the contractor (1) is deemed able to complete the work in a timely fashion, (2) that the bid is within 15% (in either direction) of the city's cost estimate, (3) that an eligible bid was returned by the pre-designated bid due date, and (4) there is no conflict of interest (real or apparent).
2. Although bid packages may be bundled for multiple job sites, the bids for multiple job sites shall be considered separate and apart when awarded and shall be awarded to the lowest responsive and responsible bidder(s) for each job site.
3. Bid packages shall consist of an invitation to bid, work write up(s) and bid sheet(s) for each job.
4. Bids must include a cost-per-item breakdown with line item totals equaling the submitted bid price. Discrepancies must be reconciled prior to a contract being awarded.
5. Any change to the original scope of work must be reduced to writing in the form of a change order to be agreed upon and signed by all parties to the original contract and two representatives of the City. The change order must also detail any changes to the original contract price.
6. No work may begin prior to a contract being awarded and a written order to proceed provided to the contractor. In addition, a pre-

construction conference and “walk thru” shall be held at the work site prior to commencement of repair work.

7. The City reserves the right to reject any or all bids at any time during the procurement process.

8. In the event of a true emergency situation, the City reserves the right to waive normal procurement procedures in favor of more expedient methods, which may include seeking telephone quotes, faxed bids and the like. Should such methods ever become necessary the transaction will be fully documented.

9. All sealed bids will be opened publicly at a time and place to be announced in the bid invitation. All bidders are welcome to attend.

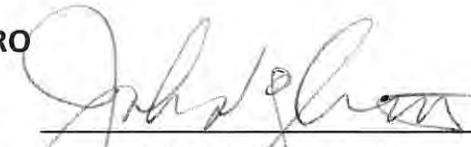

DISBURSEMENT POLICY

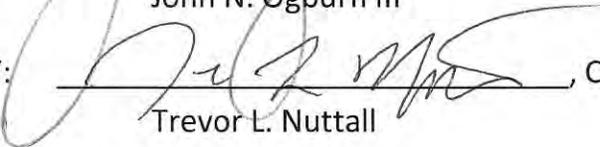

1. All repair work must be inspected by the city's assigned Housing Specialist and the homeowner prior to any payments to contractors or subcontractors. If all work is deemed satisfactory and all other factors and written agreements are in order, payment shall be issued upon presentation of an original invoice from the contractor. Contractor should allow 25 business days for processing of the invoice for payment.
2. If any of the work is deemed unsatisfactory, it must be corrected prior to authorization of payment. If the contractor fails to correct the work to the satisfaction of the city's assigned Housing Specialist, payment may be withheld until such time the work is satisfactory. Contractors may follow the city's Urgent Repair Program Assistance Policy if a dispute occurs; however, contractors shall abide by the final decision as stated in the policy.
3. The city assures, through this policy, that adequate funds shall be available to pay the contractor for satisfactory work.
4. All contractors, sub-contractors and suppliers must sign a lien waiver prior to disbursement of funds.
