## Asheboro Downtown Farmers' Market Season to Begin

The Asheboro Downtown Farmers' Market will officially open for the season on Saturday, May 5, but eager shoppers can take advantage of two special pre-season dates. The market will be open on Saturday, April 21 and 28 from 7 a.m. to 1 p.m. Since the spring weather arrived early this year, market organizers expect strawberries to be ready for the April market dates.

During the regular market season, May 5 – October 27, the market is open on Tuesdays, Thursdays and Saturdays from 7 a.m. to 1 p.m. Two special event days will be held this year. Free strawberry shortcake will be available on May 12 for Strawberry Day and free peach ice cream will be available on July 21 for Peach Day. Both giveaways will run from 10 a.m. – noon, or while supplies last.

The Asheboro Downtown Farmers' Market is located at 134 South Church Street and is operated by the City of Asheboro's Cultural & Recreation Services Division. For more information on the market, call 336-626-1240.
