WHEREAS, in accordance with the North Carolina General Statutes, the City Council of the City of Asheboro has held closed sessions, which were referred to as "executive sessions" at earlier points in time, on various occasions and for specific reasons over the course of many years; and

WHEREAS, in recent years, the Asheboro City Council has concurrently with approving a resolution to seal the general account of a particular closed session also authorized, by resolution, the city manager to unseal the general account when the purpose of the closed session would no longer be frustrated by making the records available for public inspection or would otherwise be required by law; and
