

Low Pressure Sewer Pumps

What to do if the alarm sounds....

Step 1: Press the button located under the alarm panel. This will turn off the sound of the alarm however, the alarm light will remain lit. **Limit water usage.**

Step 2: Wait 1 hour and check to see if the light on the alarm panel is still lit. If the light is off no further action is required. If the light is on call Asheboro Water/Sewer Maintenance **Mon – Fri 8am – 5pm at (336)626-1234**. If it is **after hours, weekends, or holiday's call 911** and an on-call person will be notified. Please have your name, address and phone number ready when calling.

DO NOT ATTEMPT TO REPAIR THE UNIT YOURSELF
