City Transfer Station Now Recycling Drop-off Location

The City of Asheboro is now accepting recyclables from city residents at the Transfer Station, located at 630 Transfer Station Place off of E. Presnell Street. Hours of operation are 9:00am to 5:00pm Monday, Wednesday, and Friday, and 8 to 12 Saturday. Identification is required to verify city residency. The former drop-off locations on Wainman Avenue and Yzex Street have been closed.

Insurance Open Enrollment News

Click on the flyer below to access important news about upcoming open enrollment for the city's insurance plan.

**Annual Enrollment this year will be
Tuesday, April 23, 2019 through Wednesday, May 1, 2019.**

Annual Enrollment meeting dates and times are listed below. Great news! There will be NO rate increase in any of our benefits. At the beginning of April, you will receive a flyer with more details regarding the meetings and plan changes. Since there is little change in the plan this year, meetings will NOT be mandatory.

PLEASE NOTE: In the next two (2) weeks you will receive a statement showing all current coverage you have elected. The statement will be mailed to your home for review so be on the lookout for it. Please make sure Human Resources has your correct address. Once you review the statement, if applicable, please sign the enclosed form stating that you received the statement and check that you are satisfied with your elections. If you need to add or drop coverage, please sign the form and check that you plan to make changes in which you may do so during annual enrollment at the days and times listed. No matter which applies (keeping current coverage, adding or dropping), please mail your form back to Human Resources by April 1, 2019 in the self-addressed, postage paid envelope that will be enclosed. An example of what you will received is shown below.

MARKIII will be handling all of our benefits and enrollment including medical and all voluntary products just like last year. MarkIII enrollers will be on-site at Public Works in the same area.

It is very, very important if you need to make any changes to your benefits that you see an enroller on one of the dates below. After May 1, 2019, no changes can be made unless you have a family status change/qualifying event. If you want to refresh your memory on any of the voluntary products (Term life, Whole life, Accident, Cancer, Critical Illness, Short-term and Long-term Disability) or the health plan (Medical, Dental and Vision), please be sure to attend one of the sessions. As always, you are welcome to invite your spouse to a session, particularly if your spouse handles most of the benefits.
